THE EDUCATION TREE

start young

A Comprehensive Programme for Young Leaders

WHY START YOUNG?

Our world is changing, changing for the better; a career in the 21st century is more than just a degree, it is more than just the knowledge you hold. The world is no more looking for employees, it is looking for investments. The world wants solutions. Solutions that go beyond knowledge, solutions that are practical, scalable and sustainable. And, it is the time for the YOUNG to be the SOLUTION.

Limiting itself to just one thing is not an option for the YOUNG.

The YOUNG must keep learning.

The YOUNG must keep growing.

The YOUNG must keep experimenting

And most importantly,

The YOUNG must **START NOW!**

Engaging Your Audience

The Power of Imagination

Leading with High Emotional Quotient

Campus to Corporate

The Art of Selling

CAMPUS TO CORPORATE

The biggest challenge the youth faces today is to adjust to the corporate culture and settle in with all the norms and ways of the business world. This workshop aims to prep you for your journey into corporates and focuses on the pre-requisites needed to make your mark in the new chapter of your life. Irrespective of your career goals, basic corporate etiquettes will surely help you in the long run.

ENGAGING YOUR AUDIENCE

Communication is more than just putting your point across; it's about connecting with your audience. Irrespective of your career choice, be it as an employee or as an entrepreneur, this is one skill that you need to master. This workshop will focus on embedding skills to craft an engaging narrative and train you to deliver your thoughts powerfully.

THE ART OF SELLING

Sales is one of the most structured art forms in the world today. Anything that you create is of no utility unless you can sell it in the market. This workshop will primarily focus on helping you master this art, while branding would be the ancillary learning.

THE POWER OF IMAGINATION

Imagination is said to be the greatest power humans possess. The power of imagination makes us infinite! Educators say it's a way of thinking that leads to unique solutions to all types of real-world problems. With all the challenges that the world faces, the ability to imagine is going to be one of the most sought-after skills of the future. This workshop will help you understand the barriers to imagination and will work on unlocking your mind. The solution to every problem is in your brain, just imagine!

LEADING WITH HIGH EMOTIONAL QUOTIENT

It's no secret that the world needs new leaders, leaders who are not only bold and proactive, but also empathetic and sensitive towards the society. Studies show that 90% of the top performers have high Emotional Quotient. This leadership workshop will focus on improving your cross-functioning skills & will co-relate leadership with emotional intelligence.
